From the President

I hope everyone is enjoying the summer. It sure has been hot. That's a good thing for those who don't like winter. I like the cooler weather, myself. But Ohio does have seasons for everyone.

If you didn't go to the June general meeting, you missed a great meeting. There were over 70 in attendance representing 20+ guild members. The 2017-2018 budget was presented and passed, classes for the 2018 Getaway were revealed and speaker Cindy Casciato presented her color theory program.

The new NEORQC website was also revealed. Webmaster Sue Straub had a presentation introducing the new website and showed us how to navigate it. If you haven't visited the new website, go to www.neorqconline.org. This is your website to find upcoming events and have your events posted. You can email your information to sstraubiaap@gmail.com.

The next general meeting is October 7. There will be a presentation of the 2017 Grant Recipients. Honeybee Quilters will host the meeting at Pins and Needles. See page 2 for details.
