

## **NEORQC Nominating Committee**

The Nominating Committee consisting of 3 to 5 members representing different guilds or NEORQC categories is responsible for soliciting and providing a slate of names to hold positions on the NEORQC board.

The Nominating Committee may solicit members from all guilds by email, phone and in person. Nominating Committee contact information may be posted on the NEORQC website to solicit for nominees after approval by the President. Each nominee should be approved by the entire Nominating Committee before presenting the slate at the February board meeting.

At the March general meeting the slate will be presented and voted on according to the NEORQC Bylaws.
