## North East Ohio Regional Quilt Council

### NEORQC Board

President—Barbara King  
Vice President—Margaret LaVenia  
Secretary—Linda Roberto  
Treasurer—Mary Rose Nordquist

### *PRESIDENT'S MESSAGE*

Hello NEORQC Members,

It is hard to believe it is time for another newsletter. It just reminds me how the summer has flown by. I think it is true that as you get older time flies by so much faster. It seems like we just had our June General Meeting and I was looking forward to all the fun summer activities with family and friends. Now I look at those activities as great memories. As we always share, fall is a busy time for NEORQC. We have our October General meeting and the Getaway Committee is busy working on the 2026 Getaway.

As I started on my second term as President, one of the important goals was to look at the long-term growth of the organization through the continuous reliable and harmonious management we have as an organization. As I have shared previously, this Board works hard for our membership and works so well together. As you look at your Board members, most of the Board have served in numerous positions on the Board and have met their time limits. Just as an example, I have served on the Board since 2015, and when I finish my term I have been on the Board over ten years. As we term limit out of our positions, we are looking for the next leaders for our organization. In March 2026, the Treasurer and Vice President positions will need to be filled. Our wonderful Newsletter Editor Jean is ready to step down and turn over the pages to another. Please consider one of these positions, to continue the organization into the future. If you are interested in joining the Board, please contact me or one of the Board members to discuss this further.

We look forward to seeing you at the next General Meeting on October 4<sup>th</sup>. The meeting will include the annual awarding of the educational grants and the presentation from the previous year's grant recipients. Do not forget, the "EYE Spy" challenge. I hope you have been working on those projects to show at the meeting. And as always, bring those show and tell projects to share with the membership.

See you In October. Happy Quilting.

*Barbara*  
Barbara King  
NEORQC President

## NEORQC Education Grants - Your Guild can spread the Love of Quilting

Just in case you missed the deadline, we're sorry, but the application deadline for the 2025-2026 grants was Sept. 1<sup>st</sup>. Grant recipients will be announced at the October 4<sup>th</sup> General Meeting. Also at the meeting, the grant recipients for the current year, 2024-2025, will display their projects and share information.

It is never too early to start thinking about how your guild could apply next summer for the 2026-2027 educational grant. We especially encourage projects that introduce youth to sewing and quilting. This money is to be used for supplies for the planned education/teaching of quilting to children, adults, Scouts, 4-H, and other community organizations.

As a 501(C)(3) non-profit, NEORQC is required to donate funds to benefit our communities. To meet that objective, the NEORQC Education Grant is offered to provide from \$100 to \$500 to organizations or guilds teaching the fine art of quilting and raising public awareness by reaching out in the communities of NE Ohio.

If you have any questions, contact Grant Chair, Cathy Parker at 330-703-8354 or [cathyquilts@gmail.com](mailto:cathyquilts@gmail.com).

# Show & Tell

## *NEORQC is seeking a Newsletter Editor*

Jean has requested to turn over the volunteer position to another NEORQC member after eight years of putting the publication together – with the help of board members and other contributors. If you are comfortable working in Word or Publisher, please step up to volunteer for 2026 and beyond. Some previous writing and photography (phone camera or big-girl camera) experience would be helpful. The newsletter is published three times per year. Jean has offered to help get you started.

If interested, please contact NEORQC President Barbara King at [barbannkam@aol.com](mailto:barbannkam@aol.com) or speak with her at the Oct. 4<sup>th</sup> General Meeting.

## *Facebook: North East Ohio Regional Quilt Council*

Our Facebook group is growing. It is a great resource of information for members and guilds. If your guild has an event coming up, you can post it on the Facebook page. And, do not forget to send it to Susan Straub, our web mistress. [webmaster@neorqconline.org](mailto:webmaster@neorqconline.org)

Remember -- please do not try to sign up a fellow guild member. Each member must request to be added and answer two questions. Once Janis verifies membership in the named guild, Facebook membership will be approved. *Facebook Coordinator, Janis Hittle*

## *NEORQConline.org - our official website!*

The Board of Directors and various committees are always encouraging involvement of our talented members via shops, teachers and guilds who would enhance the purpose of NEORQC with fresh ideas and perspectives. One of these areas is the NEORQConline.org website.

The current policy is to use the home page for current member information only, such as upcoming events, important announcements, meeting information, and promoting educational events. Event flyers can be sent to Webmistress Susan Straub in .JPG, .PDF or Word format.

The current Webmistress does not have any formal or professional training. She is self-taught and learning as things come up. The website is hosted by Bluehost, and the website is maintained through WordPress. Each of those sites have many tutorials and support resources available.

If you are interested in working with Susan on the NEORQConline.org website, please contact President Barbara King or Webmistress Susan Straub. The Webmistress can be contacted at [webmaster@neorqconline.org](mailto:webmaster@neorqconline.org) or [sstrauiaap@gmail.com](mailto:sstrauiaap@gmail.com).

*As seen on Instagram: color change problem with metallic paint on fabric*

lolomakesthings • Follow

I don't know if you remember back in May that I had a color change problem with my ruby star wide back gold star fabric. I thought I would share the information that I received back from Ruby Star. My suspicion that the baking soda from my deodorant triggered a reaction appears to be correct. I've learned a lot about metallic paint in this process. Basically, it's pretty unstable and I think that this information should be more widely known before one uses it in a quilt that can take an unbelievable amount of time to make and costs easily \$500 in materials and quilting. I'm thankful that Ruby Star got back to me with this information because it will help me from making this mistake in the future. Do you think fabric with metallic paint should have an "expectations" disclosure? I do.

**See this space members, shops & teachers?**

**It is saved for an article/feature story suggested by YOU!**

We are always looking for quilting tips and techniques, information, quilt-related collections and interesting quilt stories. What will you suggest for a topic?

It could be favorite quilting technique and why, helpful tips, a unique project or community service your guild is involved with, most successful workshop or guild event.

If you have a topic but do not wish to write an article, we can interview you. Send your story idea or already-written article to Barbara King, NEORQC president, at [barbankam@aol.com](mailto:barbankam@aol.com).

## The Cost of Quilting

As quilters, we know the cost and time it takes to make that quilt. This was shared a few years ago at our Quilt Guild as a reference to share with others. Some of the prices need to be updated to today's costs, it is a good reference to the cost of quilting.

### Why Do Quilts Cost So Much?

Costs for materials, construction, & finishing for a 65" x 65" Throw Quilt.

#### Materials for throw quilt:

##### **Fabric for the top:**

6 yds @ \$11 yd = \$66

5 yds Backing @ \$13 = \$65

2 yds of Batting @ \$11 = \$22

5/8 yd for Binding @ \$11 = \$6.88

**TOTAL Cost of Materials = \$159.88**

#### Construction:

(Labor based on \$10/hr)

##### **Making the top:**

(Includes preparing the fabric, cutting the pieces, sewing the blocks, setting into rows, adding borders)

50 hours x \$10/hr = \$500

##### **Assembling the Quilt Sandwich:**

3 hours @ \$10/hr = \$30

##### **Quilting on Domestic Machine:**

(Charged by square inch in a simple all over design)

4225 si x \$.015 = \$63.38

Thread for Quilting - \$15

**TOTAL Cost for Construction = \$768.26**

#### Finishing:

Making the Binding:

2 hours x \$10 = \$20

Attaching the binding:

10 hours x \$10 = \$100

**TOTAL Finishing costs = \$120**

**TOTAL COST OF QUILT = \$888.26**

**Note:** A larger quilt, a more intricate pattern, a more elaborate quilting design will cause the price to increase.
